In the Matter of

KENNETH H. WILKINS
Employer

DATE: FEB 18 1987
CASE NO. 86-TLC-4

ORDER

On May 28, 1986, the above Employer filed an appeal from the Regional Administrator's decision denying temporary labor certification for four workers. Although the applicable regulations require the Regional Administrator to promptly transmit the case file to this Office in such a case (see 20 C.F.R. §656.212(a)), the file has never been received. Accordingly, no action on the Employer's appeal could be taken. Under these circumstances, I find it necessary to dismiss the case unless an appropriate request for further action is received within 30 days of the date of this order.
